May 8, 2007

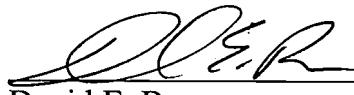

Sir:

Applicant has received a Notice of Non-Compliant Amendment dated April 17, 2007. That Notice, a copy of which is attached, indicated that new claims should not contain underlining. Applicant submits the attached corrected "In The Claims" section of the Amendment/Response filed March 28, 2007, in which the underlining in new Claim 24 has been removed.

As noted in the Notice, this submission of a complete amendment to claims section is sufficient to cure the deficiency. It is therefore respectfully requested that the amendment submitted on March 28, 2007 be entered, and that timely consideration on the merits be given to this application.

In the event that there are any fees due with respect to this paper, please charge
